Title	Average wage classified by industry (ISIC Rev.4)
Frequency ,Lag time and Release schedule	Frequency monthly Lag time 1 months Release schedule The last business day of the following month
Summary Methodology <ul style="list-style-type: none"> • Analytical Framework, Concepts, Definitions, and Classifications • Scope of the data • Accounting Conventions • Nature of the Basic Data Sources • Compilation Practices 	<p>Average wage classified by industry reveals the result of the survey conducted and compiled by the National Statistical Office (NSO). Definition of terms used in the survey is as follows:</p> <p>Wage is defined as the compensation, in cash or in kind, received by employees in exchange for their labour. Wages can be paid on a monthly, weekly, daily or hourly basis, project base or as a lump sum payment, excluding payments for overtime, bonuses and other welfare payments.</p> <p>Industry classification is classified in accordance with the UN's International Standard Industrial Classification of All Economic Activities (ISIC) Revision 4, 2009</p> <p>The survey is conducted simultaneously for all surveyed units nationwide during the 1st - 12th of each month. Data are collected by NSO officers through interview with head or member of the household units participated in the survey. Data compilation is based on weighted average of sampled data, the details of which appear in the NSO's website (www.nso.go.th) under the topic "Labour Force Survey".</p>
