TSD sub-book of Broker/Custodian refers to the accumulated amount of debt securities deposited in sub-accounts under TSD's members (Omnibus) and cannot be allocated into groups of holders. However the prorating method is used to allocate the TSD sub-book to each holders' group. The TSD sub-book is allocated by the proportion of groups of holders reported by Custodian and Brokers.

Foreign currency denominated debt securities are converted into Thai Baht using Daily Mid Rate announced by The Bank of Thailand.
