2. Conditions for Application Submission

Those intending to apply for a license to undertake a designated payment services business in the category of provision of credit card, debit card or ATM card service shall have the following qualifications:

- (1) be a juristic person of the following type:
 - (1.1) a limited company or a public limited company registered in Thailand with objectives to undertake payment services business; or
 - (1.2) a financial institution, a specialized financial institution or a state enterprise;
- (2) have a sound financial position and operation status which represent the capability of undertaking business and providing service with continuity without any risks that may cause the damages to service users such as historical financial position and performance, shareholders' equity, source of funds and business operating plan for a 3-year period which include details of the estimated income, expenses and investment budget;
- (3) must neither have been temporarily suspended of its entire or partial business operation nor have the license or the registration revoked according to the law governing payment systems; (4) must have never been sentenced or ordered by the court that its properties shall be forfeited for the benefit of the state or never been sentenced by final court judgment on the ground of committing an offence relating to money laundering under law governing anti-money laundering, or never been a designated person for committing terrorism offenses, or never been sentenced by the final court judgment on the offence relating to terrorism financing under law governing counter-terrorism and proliferation of weapon of mass destruction financing;

- (5) have directors or person with managerial power with the following qualifications:
 - (5.1) being not less than 20 years of age;
 - (5.2) having qualifications and must not have prohibited characteristics as prescribed in Section 18 and Section 14 of the Payment Systems Act BE 2560 (2017). In other words:

A business provider who obtains license to operate the designated payment service business shall not appoint a person who has the following characteristics to be a director or person with the managerial power of such business provider:

- (5.2.1) being under receivership or being bankrupt or using to be bankrupt and the period of two years has not yet lapsed from the date of order of termination or discharge of the bankruptcy;
 - (5.2.2) being an insane person, an incompetent person or a quasi-incompetent person;
- (5.2.3) having been sentenced to imprisonment by a final court judgment for any offence relating to counterfeit and forgery, theft, snatching, extortion, blackmail, robbery, gang-robbery, defraud, cheating the creditor, embezzlement, receiving stolen property whether there is a suspension of punishment, or having been imprisoned by a final court judgment for offences relating to computer under the computer crimes law;
- (5.2.4) having been sentenced by a judgment or order of the court that its properties shall be forfeited for the benefit of the state or having been sentenced by a final court judgment on the ground of committing an offence relating to money laundering under anti-money laundering law or using to be a designated person for involvement in terrorism or having been sentenced by a final court judgment for offence relating to terrorism financing under the law on counter-terrorism and proliferation of weapon of mass destruction financing;
- (5.2.5) being a director or a person with managerial powers of a juristic person which has been prohibited from operating the designated payment system business or the designated payment service business or whose license or registration had been revoked;
- (5.2.6) having been discharged from being a director or an executive of a public limited company for having the characteristics indicating a lack of appropriateness in respect of trustworthiness in managing business whose shares are held by public shareholders under the law on securities and exchange;
- (5.2.7) having been sentenced to imprisonment by a final court judgment for any offence relating to the provision of a payment system or payment service without having obtained a license or having been registered;
- (5.2.8) being a person having other prohibited characteristics or lacking other qualification as prescribed in the notification of the BOT.
- 6) have at least 1 director with Thai nationality and domiciled within Thailand.

A financial institution, a specialized financial institution, and a state enterprise are exempt from complying with the regulation under clause (2) and (6).

3. Procedures and methods for submitting an application

- (1) An applicant sends a letter or an e-mail requesting an appointment with the BOT to discuss and clarify the business model, and other related information.
- (2) The applicant submits the required documents in an electronic format. Once the BOT checks for accuracy and completeness, the BOT will schedule an appointment for the applicant to submit an application along with original supporting documents in person.
- (3) In case the proposed service is innovative or complicated in nature, prior to submitting an application, the applicant must request an additional appointment with the BOT to discuss the business model, service systems test results, and additional supporting documents (if any).
- (4) The applicant satisfying all qualifications required by the law shall submit the application along with supporting documents certified true copy by the authorized signatory through the specified service channels below.
- (5) The processing time shall start from the date that the BOT receives and verifies that all submitted documents are correct and complete as specified in this public handbook, and issues an acknowledgment of receipt as evidence. In case that the submitted documents are incorrect and/or incomplete resulting in the inability to consider the application, the BOT will issue a memo indicating any incompleteness or additional documents required. Once both the BOT officer and the applicant or the authorized person sign the memo, the BOT will provide a copy of the signed two-party memo and return the application form and all supporting documents to the applicant or the authorized person on the date of submission. The applicant must amend and/or submit additional documents within the period stipulated in the memo. Otherwise, the application will be deemed abandoned.
- (6) In case the applicant is unable to submit the application in person, the applicant must prepare a power of attorney to authorize an attorney-in-fact to sign the two-party memo in case the documents are incorrect or incomplete as per Section 8 of the Licensing Facilitation Act B.E. 2558 (2015). If no power of attorney is prepared and the BOT finds that the submitted documents are incorrect or incomplete, the BOT will not be able to accept the application as the agent is not authorized to act as a signatory in the two-party memo.
- (7) The BOT shall notify the applicant of the result of its deliberation within 7 days after the decision is made as per Section 10 of the Licensing Facilitation Act B.E. 2558 (2015).
- (8) To facilitate the application process, the applicant may submit the application and other supporting documents to the BOT for preliminary verification via e-mail: Payment-Sup@bot.or.th.
