

BANK OF THAILAND

Public Handbook: Notification of change of the process and procedures for the case that a system user is unable to settle payment obligations to be different from those the permissions have been granted for the business provider undertaking the Inter-Institution Fund Transfer Systems under the Payment Systems Act B.E. 2560 (2017)

Service Agency: Payment Systems Policy Department, Bank of Thailand (BOT)

Regulations, procedures, and conditions (if any) for submission

1. Related Regulations

- (1) Payment Systems Act B.E. 2560 (2017)
- (2) Bank of Thailand Notification No. SorNorChor. 4/2561 Re: Regulations on Supervision of the Designated Payment Systems Business, dated 16 April 2018 (B.E. 2561) Clause 4.5 (4)

2. Conditions for Submission

The requestor must be the business provider undertaking the Inter-Institution Fund Transfer Systems who intends to change the process and procedures for the case that a system user is unable to settle payment obligations to be different from those that the permissions have been granted.

3. Procedures and methods for Submission

- (1) The business provider undertaking the Inter-Institution Fund Transfer Systems submits a notification of change of the process and procedures for the case that a system user is unable to settle payment obligations along with the evidentiary documentation certified true copies by a director or a person with managerial power (or the authorized signatory) to the BOT in advance, at least 15 days prior to the change through the electronic channel, namely, e-Application (the main service channel) or submits the notification in person or by mail.
- (2) In the event that the notification or the evidentiary documentation is incorrect or incomplete, the BOT shall notify the business provider to amend the notification or submit additional evidentiary documentation within the specified time frame. The BOT may also ask the business provider to provide further clarification. If the business provider fails to comply within the specified period, the BOT shall assume that the notification is abandoned and will notify the termination of the consideration, which results in the return of such notification.
- (3) The BOT will pause the consideration process and the processing time until the business provider amends the notification or submits the complete and correct evidentiary documentation or provides additional clarification to the BOT, as required by Item (2).
- (4) The BOT shall notify the business provider of the result within 7 days from the date of completion as per Section 10 of the Licensing Facilitation Act B.E. 2558 (2015).

(5) In the case that the notification involves a policy or a customer protection issue, the business provider should consult the BOT before submitting the notification so that the BOT is able to determine if additional information is needed.
