

**Public Handbook: Request for permission to provide the designated services to service providers from other countries, who wish to provide cross-border payment services in Thailand, for the registered business provider of the designated payment services under the Payment Systems Act B.E. 2560 (2017)**

**Service Agency:** Payment Systems Policy Department, Bank of Thailand (BOT)

---

## **Regulations, procedures, and conditions (if any) for submission**

### **1. Related Regulations**

- (1) Payment Systems Act B.E. 2560 (2017)
- (2) Bank of Thailand Notification No. SorNorChor. 6/2561 Re: Regulations on Supervision of the Designated Payment Services Business, dated 16 April 2018 (B.E. 2561) Clause 4.2.5 (2)

### **2. Conditions for Submission**

- (1) The requestor must be the registered business provider of the designated payment services intending to provide payment services or any operations relating to payment services to support payment service providers from other countries, who wish to provide cross-border payment services in Thailand.
- (2) The provision of payment services to the service provider from abroad must not be arranged to facilitate any evasion of or non-compliance with the laws on payment systems.

### **3. Procedures and methods for Submission**

- (1) The registered business provider of the designated payment services submits a request for permission along with the evidentiary documentation certified true copies by a director or a person with managerial power (or the authorized signatory) to the BOT in advance through the electronic channel, namely, e-Application (the main service channel), or submits the request in person or by mail. The BOT shall consider the request for permission within 45 business days from the date on which the BOT receives the request together with the complete and accurate evidentiary documentation.
- (2) In the event that the request or the evidentiary documentation is incorrect or incomplete, the BOT shall notify the requestor to amend the request or submit additional evidentiary documentation within the specified time frame. The BOT may also ask the requestor to provide further clarification. If the requestor fails to comply within the specified period, the BOT shall assume that the request is abandoned and will notify the termination of the consideration, which results in the return of such request.
- (3) The BOT will pause the consideration process and the processing time until the requestor amends the request or submits the complete and correct additional evidentiary documentation or provides additional clarification to the BOT, as required by Item (2).

(4) The BOT shall notify the requestor of the result within 7 days from the date of completion as per Section 10 of the Licensing Facilitation Act B.E. 2558 (2015).

(5) In the case that the request involves a policy or a customer protection issue, the requestor should consult the BOT before submitting the request so that the BOT is able to determine if additional information is needed.
