

**BANK OF THAILAND**

**Public Handbook: Request for permission to undertake additional businesses besides the electronic money service business for the business provider undertaking the designated electronic money service under the Payment Systems Act B.E. 2560 (2017)**

**Service Agency:** Payment Systems Policy Department, Bank of Thailand (BOT)

---

## **Regulations, procedures, and conditions (if any) for submission**

### **1. Related Regulations**

- (1) Payment Systems Act B.E. 2560 (2017)
- (2) Bank of Thailand Notification No. SorNorChor. 7/2561 Re: Regulations on Undertaking Electronic Money Service Business, dated 16 April 2018 (B.E. 2561) Clause 4.2.11 and 4.3 (2)

### **2. Conditions for Submission**

- (1) The business provider of the designated electronic money service business intending to undertake additional businesses besides the electronic money service business is permitted to undertake only the following businesses:
  - (A) Businesses of which certain or all parts relating to or as a result of electronic money services. If such businesses are designated payment systems or designated payment service businesses, the request for registration or license must be proceeded, as the case may be.
  - (B) Other businesses that support designated payment systems or designated payment service businesses to the extent that they do not cause any potential risks that would impact the core business and money received in advance from the service users.
- (2) The BOT may either approve or reject the request, or approve with any conditions on a case by case basis. The BOT may temporarily suspend or revoke an approval granted afterwards if it is later found that there is any implementation which is not consistent with the information given for approval or it fails to comply with any requirements prescribed by the BOT.
- (3) A business providers of electronic money services who are under registration, a financial institution, a specialized financial institution, and a state enterprise shall be exempt from complying with this regulatory requirement.

### **3. Procedures and methods for Submission**

- (1) The business provider of the designated electronic money service business submits a request to undertake additional businesses along with evidentiary documentation certified true copies by a director or a person with managerial power (or the authorized signatory) to the BOT in advance through the electronic channel, namely, e-Application (the main service channel), or submits the request in person or by mail. The BOT shall consider the request for permission within 45 business days from the date on which the BOT receives the request together with the complete and accurate evidentiary documentation.

(2) In the event that the request or the evidentiary documentation is incorrect or incomplete, the BOT shall notify the requestor to amend the request or submit additional evidentiary documentation within the specified time frame. The BOT may also ask the requestor to provide further clarification. If the requestor fails to comply within the specified period, the BOT shall assume that the request is abandoned and will notify the termination of the consideration, which results in the return of such request.

(3) The BOT will pause the consideration process and the processing time until the requestor amends the request or submits the complete and correct additional evidentiary documentation or provides additional clarification to the BOT, as required by Item (2).

(4) The BOT shall notify the requestor of the result within 7 days from the date of completion as per Section 10 of the Licensing Facilitation Act B.E. 2558 (2015).

(5) In the case that the request involves a policy or a customer protection issue, the requestor should consult the BOT before submitting the request so that the BOT is able to determine if additional information is needed.
