## Journey towards Sustainable Banking

**Mr. Michael Correa**

**General Manager, Asia Pacific  
WESTPAC BANKING CORPORATION**

Mr. Michael Correa is a proven financial markets executive with over 20 years of regional industry experience, including 8 years in Asia. Appointed as Westpac's General Manager, Asia Pacific in March 2018, Michael Correa is responsible for overseeing all of Westpac's business operations in Asia, as well as client, partner and regulator relationships.

Mr. Correa joined Westpac's financial markets team in 2011 leading the global capital markets business. Prior to joining Westpac, Michael spent 17 years with ANZ, including 8 years in Asia, where he was the Regional Head of Global Markets, Asia Pacific and Global Head of Structured Products and Equity.

Mr. Correa has a strong trading background, starting in Australia with a series of trading banks before joining ANZ in 1994, where he held successive roles in the interest rate derivatives trading desk, including managing the global options business based out of Sydney.
