

PUBLIC HANDBOOK: Request to Change Information of a Treasury Center (After License Approval)

Service Unit: Foreign Exchange Administration and Policy Department, Bank of Thailand (BOT)

Rules, Methods and Conditions (if any) in Making and Considering a Request

1. In case of change in the status/name of the juristic person that operates a business of a treasury center or companies or branches in the corporate groups; or decrease in the number of companies or branches in the corporate groups that does not affect the qualifications to operate a business of a treasury center; or decrease in the scope of business of a treasury center; the treasury center shall report such change in writing and submit all related documents to the Competent Officer within 15 days, counting from the day that the change is made in the registry or the day of the change, as the case may be.

In case of increase in the scope of business of a treasury center that is still within the limit stipulated in the Notification of the Ministry of Finance, the treasury center shall report such change in writing and submit all related documents to the Competent Officer before the day of the change. If the Competent Officer does not object in writing within 15 days, counting from the day the change is informed, the treasury center may carry out transactions within the scope of business as notified.

2. In case a treasury center adds companies or branches in the corporate groups for which the treasury center will manage their FX; or adds foreign corporate groups, companies or branches to which the treasury center wishes to lend money, an approval must be sought from the Competent Officer prior to proceeding.

3. Request and related documents

(1) The request and all related documents must be signed by the authorized signatory and stamped with a corporate seal (if any).

(2) If the information and documents are in languages other than Thai or English, a translation into Thai or English must be provided and signed by the authorized signatory and stamped with a corporate seal (if any).

4. Request submission

(1) In person (in case the requester cannot submit the request in person, the requester must prepare a power of attorney to authorize a messenger to submit the request and prepare a two-party memo in case the documents are incorrect or incomplete as required by Section 8 of the Licensing Facilitation Act B.E. 2558. If no power of attorney is prepared for the messenger and the Bank of Thailand finds that the documents submitted are incorrect or incomplete, the Bank of Thailand will not be able to accept the request since the messenger is not authorized to act as a signatory in the two-party memo.) (An example of a power of attorney is in the attachment to this public handbook.)

(1.1) The Competent Officer verifies the request and related documents at the time of submission.

(1.2) In case of correct and complete information – the request is accepted.

(1.3) In case of incorrect or incomplete information

- Notify the requester or the messenger to revise the documents immediately. If revision cannot be made immediately, a memo on incomplete information shall be prepared, stating the timeframe for revision, and signed by the two parties.

- If documents submitted by the requester continue to miss certain information as indicated in the two-party memo, or the requester cannot comply with the request for revision within the timeframe stipulated, the Competent Officer shall return the request and all related documents to the requester.

(2.3) In case of incorrect or incomplete information

- Notify the requester by preparing a memo on incomplete information, signed by the Competent Officer receiving the request, and sent via registered post, email or fax. The requester must sign the memo, indicate the timeframe for revision, and send it back to the Bank of Thailand via registered post, email or fax. Then, the requester must correctly and completely submit documents as required within the stipulated timeframe.

- If documents submitted by the requester continue to miss certain information as indicated in the memo, or the requester cannot submit documents as informed within the timeframe stipulated, the Competent Officer shall return the request and all related documents to the requester.

5. Afterwards, if the Competent Officer finds that the information and documents are incorrect or inconsistent, the Competent Officer may ask the requester to provide additional clarification in-person, otherwise the information submitted by the requester shall be deemed as not having enough weight to be used in considering the request.

6. After the Competent Officer has contacted the requester via registered post, email or fax as indicated in the request, it shall be deemed that all communicated information is fully and immediately acknowledged by the requester.

7. The procedures outlined in this public handbook shall start once the Competent Officer has verified that all documents as indicated in this public handbook are correct and complete. Where the request or other documents are incorrect, incomplete and/or missing certain information, rendering it impossible to be considered, the Competent Officer shall prepare a memo on incomplete information or additional documents to be submitted. The requester must revise such documents and/or submit additional documents within the timeframe stipulated in the said memo; otherwise it shall be deemed that the request is abandoned by the requester. The Competent Officer and the requester or the authorized person shall sign the memo, a copy of which shall be given as a record of evidence to the requester or the authorized person.

8. The Bank of Thailand shall finalize its consideration within 25 days, counting from the day that the request and all documents are received, where the contents of such must be correct and complete.
