

Rules, Methods and Conditions (if any) in Making and Considering a Request

1. Companies that wish to operate a business of a treasury center must possess the qualifications as stipulated by the Competent Officer. The request and related documents shall be submitted to the Minister of Finance via the Bank of Thailand in a format required by the Competent Officer.

2. Requesters must possess the following qualifications as stipulated by the Competent Officer.

(1) Being a registered company in Thailand that does not operate a financial business.

(2) Being in the same business network as the corporate groups whose foreign exchange is managed by the treasury center.

(3) Managing foreign exchange for corporate groups that meet the following qualifications and conditions.

(3.1) Being a corporate group that consists of at least 3 registered companies with business premises in Thailand, Vietnam or a country sharing borders with Thailand; or

(3.2) Being a corporate group that consists of at least 2 registered companies with business premises in Thailand. The companies must have registered companies with business premises or branches in at least 2 foreign countries and such companies/branches must be in the same business network as the corporate group and the company that operates the business of a treasury center.

Companies in the corporate groups indicated in (3.1) or (3.2) must operate a business in import-export, international trade, international service, or operate a business by holding shares in other companies. The companies must not operate a financial business.

Where a corporate group fully meets the conditions in either (3.1) or (3.2), the treasury center can additionally manage foreign exchange for corporate groups that are foreign branches in the same business network as the treasury center and the corporate group.

The treasury center's foreign exchange management does not include foreign exchange management for corporate groups with a related business or a business relationship.

In case a corporate group does not meet the abovementioned criteria, a request shall be submitted to the Competent Officer on a case by case basis.

(4) Managing foreign exchange for corporate groups with total value of internationally-traded goods or services in an appropriate amount.

In case the company that operates a business of a treasury center also operates other businesses, financial transactions undertaken by the treasury center must be recorded separately from other businesses.

3. Upon approval by the Minister of Finance, the treasury center must proceed to register changes or additions to the company's objectives with the relevant authorities before commencing its operation. Documents of such changes or additions must also be submitted to the Bank of Thailand.

4. For causes of non-approval, revocation or non-extension of licenses, the Competent Officer may recommend to the Minister of Finance to consider non-approval, revocation and non-extension of licenses under the following circumstances.

(1) The Competent Officer has reasonable grounds to believe that a company that wishes to operate a business of a treasury center or a treasury center has acted in any of the following ways.

(1.1) Failing to comply with or contravening the Exchange Control Act or any regulations, orders or notifications prescribed for the implementation of the Act; or

(1.2) Any other causes that the Competent Officer deems appropriate.

(2) A company that wishes to operate a business of a treasury center or a treasury center lacks the qualifications as prescribed or contained in the approval letter issued by the Competent Officer as approved by the Minister of Finance.

(3) A treasury center operates a business of a treasury center or any other business in ways that may impact economic and financial stability.

5. Request and related documents

(1) The request and all related documents must be signed by the authorized signatory and stamped with a corporate seal (if any).

(2) If the information and documents are in languages other than Thai or English, a translation into Thai or English must be provided and signed by the authorized signatory and stamped with a corporate seal (if any).

6. Request submission

(1) In person (in case the requester cannot submit the request in person, the requester must prepare a power of attorney to authorize a messenger to submit the request and prepare a two-party memo in case the documents are incorrect or incomplete as required by Section 8 of the Licensing Facilitation Act B.E. 2558. If no power of attorney is prepared for the messenger and the Bank of Thailand finds that the documents submitted are incorrect or incomplete, the Bank of Thailand will not be able to accept the request since the messenger is not authorized to act as a signatory in the two-party memo.) (An example of a power of attorney is in the attachment to this public handbook.)

(1.1) The Competent Officer verifies the request and related documents at the time of submission.

(1.2) In case of correct and complete information – the request is accepted.

(1.3) In case of incorrect or incomplete information

- Notify the requester or the messenger to revise the documents immediately. If revision cannot be made immediately, a memo on incomplete information shall be prepared, stating the timeframe for revision, and signed by the two parties.

- If documents submitted by the requester continue to miss certain information as indicated in the two-party memo, or the requester cannot comply with the request for revision within the timeframe stipulated, the Competent Officer shall return the request and all related documents to the requester.

(2) Via post

(2.1) The Competent Officer verifies the request and related documents.

(2.2) In case of correct and complete information – the request is accepted.

(2.3) In case of incorrect or incomplete information

- Notify the requester by preparing a memo on incomplete information, signed by the Competent Officer receiving the request, and sent via registered post, email or fax. The requester must sign the memo, indicate the timeframe for revision, and send it back to the Bank of Thailand via registered post, email or fax. Then, the requester must correctly and completely submit documents as required within the stipulated timeframe.

- If documents submitted by the requester continue to miss certain information as indicated in the memo, or the requester cannot submit documents as informed within the timeframe stipulated, the Competent Officer shall return the request and all related documents to the requester.

7. Afterwards, if the Competent Officer finds that the information and documents are incorrect or inconsistent, the Competent Officer may ask the requester to provide additional clarification in-person, otherwise the information submitted by the requester shall be deemed as not having enough weight to be used in considering the request.

8. After the Competent Officer has contacted the requester via registered post, email or fax as indicated in the request, it shall be deemed that all communicated information is fully acknowledged by the requester.

9. The procedures outlined in this public handbook shall start once the Competent Officer has verified that the request and all documents as indicated in this public handbook are correct and complete. Where the request or related documents are incorrect, incomplete and/or missing certain information, rendering it impossible to be considered, the Competent Officer shall prepare a memo on incomplete information or additional documents to be submitted. The requester must revise such documents and/or submit additional documents within the timeframe stipulated in the said memo; otherwise it shall be deemed that the request is abandoned by the requester. The Competent Officer and the requester or the authorized person shall sign the memo, a copy of which shall be given as a record of evidence to the requester or the authorized person.

10. The Minister of Finance and the Bank of Thailand shall finalize their consideration within 60 business days, counting from the day that the request and all documents are received by the Bank of Thailand, where the contents of such must be correct and complete.

11. The Bank of Thailand shall notify the requester of the results within 7 days, counting from the day that consideration is finalized, in accordance with Section 10 of the Licensing Facilitation Act B.E. 2558.
