No. 26/2540

## Rumours of change in the exchange rate mechanism denied

The Governor of the Bank of Thailand absolutely denies rumours of any change in the exchange rate mechanism and reaffirms that the Government is fully committed to maintaining the stability of the Thai baht under the present regime.

As regards economic adjustment, the Bank of Thailand wishes to confirm that the economy has improved satisfactorily in terms of both domestic price stability and external balance, with exports showing signs of recovery.
