The Establishment of the Bank of Thailand

Representative Office in Beijing, People's Republic of China

On 28 September 2010, the agreement on the establishment of a representative office in China by the Bank of Thailand (BOT) has come into effect upon the signatories of Mr. Zhou Xiaochuan, Governor of the People's Bank of China (PBC) and Mrs. Tarisa Watanagase, Governor of the BOT.

The establishment of the BOT representative office in Beijing marks an important milestone in further fostering and developing even closer relationship between the BOT and the PBC, as well as other Chinese government agencies. The BOT considers it very important to have the first-hand understanding on the economic and financial developments of China.

The Beijing representative office is the BOT's third overseas representative office following the establishment of the New York and London representative offices in 1990 and 1993, respectively
