No. 58/2019

Re. : Announcement of the 4-5th November 2019 to Remain Standard Working Days
for Financial Institutions and Specialised Financial Institutions

The Cabinet has approved that Monday 4th and Tuesday 5th November 2019 shall be special public holidays for Bangkok and Nonthaburi province, and allowed the Bank of Thailand (BOT) to consider whether it is appropriate to announce them as additional holidays for financial institutions and specialised financial institutions.

The BOT has considered and deemed appropriate to declare that the aforementioned days shall be standard working days for financial institutions and specialised financial institutions, so as to avoid any disruption to economic activities, as financial institutions and specialised financial institutions are important intermediaries which provide financial services for the business sector and the public.
