

## Contract Collateral Management Consultant

We are looking for a contract project consultant specialized in collateral management to assist the implementation process of SimCorp Dimension platform. Responsibilities may include: analyzing the issues and work process and identifying the risk of the implementation.

Consultants will be working at Bank of Thailand (BOT) Headquarter in Bangkok, Thailand along with BOT's dedicated implementation project team. The contract length is between 9 – 18 months.

### Responsibilities:

- Assists with the configuration work streams with primary focus on collateral management module in SimCorp Dimension.
- Works with the dedicated project team at Bank of Thailand headquarter in Bangkok.

### Qualifications

- Experience with collateral management operation on any system (e.g. margin call and transfer, dispute resolution, reconciliation, time zone difference).
- Experience with management of collateral agreement (CSA is mandatory, GMRA, MSFTA, and other agreements are big plus).
- Familiar with margin rules and regulations especially in US and EU markets.
- Experience with SimCorp Dimension implementation.
- Effective team player, strong problem solving abilities, and attention to detail.
