3. Procedures and methods for submitting an application

(1) An applicant sends a letter or an e-mail requesting an appointment with the BOT to discuss and clarify the business model, and other related information.

(2) The applicant submits the required documents in an electronic format. Once the BOT checks for accuracy and completeness, the BOT will schedule an appointment for the applicant to submit an application along with original supporting documents in person.

(3) In case the proposed service is innovative or complicated in nature, prior to submitting an application, the applicant must request an additional appointment with the BOT to discuss the business model, service systems test results, and additional supporting documents (if any).

(4) The applicant satisfying all qualifications required by the law shall submit the application along with supporting documents certified true copy by the authorized signatory through the specified service channels below.

(5) The processing time shall start from the date that the BOT receives and verifies that all submitted documents are correct and complete as specified in this public handbook, and issues an acknowledgment of receipt as evidence. In case that the submitted documents are incorrect and/or incomplete resulting in the inability to consider the application, the BOT will issue a memo indicating any incompleteness or additional documents required. Once both the BOT officer and the applicant or the authorized person sign the memo, the BOT will provide a copy of the signed two-party memo and return the application form and all supporting documents to the applicant or the authorized person on the date of submission. The applicant must amend and/or submit additional documents within the period stipulated in the memo. Otherwise, the application will be deemed abandoned.

(6) In case the applicant is unable to submit the application in person, the applicant must prepare a power of attorney to authorize an attorney-in-fact to sign the two-party memo in case the documents are incorrect or incomplete as per Section 8 of the Licensing Facilitation Act B.E. 2558 (2015). If no power of attorney is prepared and the BOT finds that the submitted documents are incorrect or incomplete, the BOT will not be able to accept the application as the agent is not authorized to act as a signatory in the two-party memo.

(7) The BOT shall notify the applicant of the result of its deliberation within 7 days after the decision is made as per Section 10 of the Licensing Facilitation Act B.E. 2558 (2015).

(8) To facilitate the application process, the applicant may submit the application and other supporting documents to the BOT for preliminary verification via e-mail: Payment-Sup@bot.or.th.
