Notification of the Ministry of Finance

Re: Rules, Procedures, and Conditions for a Retail Bank to Upgrade to a Commercial Bank

By virtue of the provision of Section 9 of the Financial Institutions Business Act B.E. 2551, which is an Act containing certain provisions in relation to the restriction of rights and liberties of persons, in respect of which Section 29 in conjunction with Section 31, Section 33, Section 36, Section 39, Section 41 and Section 43 of the Constitution of the Kingdom of Thailand (B.E. 2550) so permits by virtue of provisions of law, the Minister of Finance upon the Bank of Thailand's recommendation hereby issues the rules, procedures, and conditions for applying and granting a commercial banking license as follows.

Article 1 The Notification of the Ministry of Finance Re: Application for a Restricted Banking License, dated 28 December B.E. 2541 and its amendment shall be repealed.

Article 2 The Notification of the Ministry of Finance Re: Rules, Procedures, and Conditions for Establishing a Commercial Bank, dated 23 January B.E. 2547 shall be repealed.

Chapter I General Provision

Article 3 In this notification,

The definitions of the following terms shall be in accordance with Section 4 of the Financial Institutions Business Act B.E. 2551.

- (1) Financial institution
- (2) Retail bank
- (3) Commercial bank which is a subsidiary of a foreign commercial bank
- (4) Branch of a foreign commercial bank
- (5) Person with power of management
- (6) Major shareholder
- (7) Parent company

“Commercial bank” means a commercial bank established in accordance with Section 4 of the Financial Institutions Business Act B.E. 2551, excluding retail bank, commercial bank which is a subsidiary of a foreign commercial bank, and branch of a foreign commercial bank.

“Financial conglomerate” means a financial business group established in accordance with Section 53 of the Financial Institutions Business Act B.E. 2551.

“Total capital funds” mean all capital funds established in accordance with the Notification of the Bank of Thailand Re: Regulation on Minimum Capital Requirement for Commercial Banks.

“Total risk-weighted asset” means total risk-weighted asset established in accordance with the Notification of the Bank of Thailand Re: Regulation on Minimum Capital Requirement for Commercial Banks.

“Non-performing asset” means asset that is classified as substandard, doubtful, doubtful of loss, or loss in accordance with the Notification of the Bank of Thailand Re: Asset Classification and Provisions of Financial Institutions.

“Total Asset” means total asset from balance sheet plus provision for doubtful accounts of interbank and money market, and loans, allowance for impairment of investments, revaluation allowance for debt restructuring, allowance for sale and allowance for impairment of non-performing asset, allowance for impairment of property, plant and equipment, allowance for loss from fraud and allowance for impairment of other assets. In addition, in case of investment’s mark to market losses, the total asset shall be added with revaluation allowance for security; however, in case of investment’s mark to market gains, the total asset shall be deducted with revaluation allowance for security.

“Minister” means the Minister of Finance

Chapter 2

Qualifications of a Retail Bank Eligible to Apply to Upgrade to a Commercial Bank

Article 4 A Retail bank eligible to apply to upgrade its status to a commercial bank must meet the following qualifications:

4.1 Is a retail bank that has been in operation on the day this Notification comes into effect. In a case where its application has been

previously refused by the Minister, the retail bank shall be eligible to reapply 1 year after the date of the previous application.

4.2 Satisfy the criteria for quality management from the latest assessment as prescribed by the Bank of Thailand in the following areas:

(1) Role and behavior of directors and persons with power of management

(2) Risk management

(3) High-risk business operation

(4) Organizational structure and internal work system

(5) Internal control and audit

(6) Compliance with regulations

(7) Cooperation with the authorities

(8) Good governance

4.3 Maintain a ratio of total capital to total risk-weighted asset, in accordance with the Notification of the Bank of Thailand Re: Regulation on Capital Adequacy for Commercial Banks, at no less than 12% at the end of the latest month prior to the submission date.

4.4 Maintain a ratio of non-performing loan to total asset at no more than 5% at the end of the latest month prior to the submission date.

4.5 Maintain adequate provision in accordance with the criteria prescribed by the Bank of Thailand and the examiners' assessment.

Chapter 3

Submission of Application to Upgrade to a Commercial Bank

Article 5 A retail bank intending to upgrade its status to a commercial bank shall submit an application with 2 copies, to the Bank of Thailand at 273 Samsen Road, Watsamphraya, Phranakorn District, Bangkok 10200 during office hours, and prepare all supporting documents.

Article 6 A retail bank intending to upgrade its status to a commercial bank must submit the application with the following documents:

6.1 Information of the applying retail bank including major shareholder structure, list of directors and persons with power of management, financial status and performance, structure of financial conglomerate, and financial statements for the last 2 years. In a case where the applying retail bank's parent

company is a holding company, the applying retail bank shall submit the major shareholder structure of its parent company together with a letter of consent from the parent company allowing the retail bank to upgrade to a commercial bank.

6.2 The business plan for the upgraded commercial bank, comprising details as follows:

(1) If the applying retail bank's tier 1 capital is less than 10,000 million baht, the retail bank shall submit a capital increasing plan to bring its tier 1 capital to not less than 10,000 million baht.

(2) If a merger or transfer or acquisition is part of a plan to upgrade its status to a commercial bank, the applying retail bank shall present a plan for selling business or returning license and/or acquiring assets and liabilities from other financial institutions that will merge or transfer or acquire the business. This shall include presenting the contract or agreement between financial institutions and the board of directors' resolution of financial institution that will merge or transfer or acquire business in writing.

(3) Business operation strategy covering a full range of operation of the upgraded commercial bank.

(4) Projected financial statements, together with details on assumptions, of at least 3 years, with details of the quarterly financial statements for the first year.

(5) Capital adequacy ratio of the upgraded commercial bank after conducting scenario stress test according to the Notification of the Bank of Thailand must not be less than 9.5%. The suitability of the specified test must be reviewed and assessed by the Bank of Thailand.

(6) Plan to open/close branches.

6.3 The management structure of the upgraded commercial bank with the following details:

(1) Details of an organizational structure including job descriptions of chairman, executive managing director, and/or chief executive officer, board of directors, manager, deputy manager or any other persons holding equivalent positions, together with the list of names, qualifications, and experiences of the key personnel.

In any case, the persons to be appointed to the positions stated in the preceding paragraph must have the required qualifications and

must not possess prohibited characteristics as prescribed in Section 24 of the Financial Institutions Business Act B.E. 2551 and the Notification of the Bank of Thailand Re: Criteria for Approving the Appointment of Directors, Managers, Persons with Power of Management, or Advisors of Financial Institutions. In addition, the directors of the applying retail bank authorized to sign shall certify qualifications and no prohibited characteristics of the aforementioned personnel.

(2) Details of the board of directors and sub-committee including qualifications and experiences. The commercial bank board shall consist of independent directors at least one-third of total directors, but not less than 3 persons, and shall establish at least 2 sub-committees which are audit committee and risk management committee, with structure, qualifications, roles and responsibilities as prescribed by the Notification of the Bank of Thailand.

(3) Details of the structure of the financial conglomerate, majority shareholder structure of the upgraded commercial bank and majority shareholder of a holding company if the parent company of the approved bank is a holding company. The details include name, curriculum vitae and shareholding proportion in the upgraded bank of each shareholder. A shareholder with over 10 percent of the total number of shares sold must not have or have had a misbehavior involving fraud or deception or behavior that breaches good governance and code of business ethics.

6.4 The work plan to facilitate the business undertaking of the upgraded commercial bank, with evidence to ensure compliance with the following conditions:

(1) There is a risk management system that can identify, measure, control, monitor, and mitigate the overall risk level of organization, including strategic risk, credit risk, market risk, liquidity risk and operational risk, which includes legal risk and reputational risk. This also includes the readiness to undertake the commercial banking business in accordance with the regulations as prescribed by the Bank of Thailand.

(2) There is a clear policy on conducting transactions with its financial conglomerate or businesses that are related to the upgraded bank, including an information system to monitor outstanding loans and contingent liabilities to the aforementioned financial conglomerate or related business. In addition, reason (s) must be provided for any policies which differ from the lending policy to general customers.

(3) There is a concrete internal control system especially in the aspect of duty segregation, process and work system review, report process and approval of credit lines, investment or various expenses.

(4) There is an asset valuation system that covers customers' interest payment and principal repayment, collateral valuation, and loan loss provisioning according to the Notifications of the Bank of Thailand.

(5) There are personnel with knowledge and experience relating to finance and banking, and appropriate personnel allocation. Due consideration must be given to the knowledge and specific area of expertise of each person, the responsibilities of the staff in each business unit, and the business plan.

Chapter 4

Commercial Banking License Review Process

Article 7 The Bank of Thailand shall review the application according to the rules, procedures, and conditions specified in this Notification, and submit a recommendation to the Minister. The Bank of Thailand is empowered to consider and settle problems concerning the rules, procedures and conditions, and to request any additional evidence or documents from the applying bank in addition to the documents specified in this Notification.

Article 8 The Bank of Thailand shall submit its opinion to grant a commercial banking license to the applying bank for the Minister's approval within 3 months from the date on which the application and all supporting documents have been received by the Bank of Thailand. The Minister shall reach the final decision within 2 months after the Bank of Thailand's recommendation has been received. In granting an approval, the Minister may attach any other conditions.

Article 9 After the Minister has granted an approval to the applying retail bank to upgrade to a commercial bank, in a case where a merger, transfer, or acquisition of the business is required, the retail bank shall merge or transfer or acquire business, or acquire asset and liability, or sell business, or return license of other financial institutions under the same financial conglomerate, as the case may be, within 1 year from the date of the Minister's approval. If necessary, the Bank of Thailand may grant an extension but not more than 6 months from the specified date.

Article 10 After completing requirements of Article 9 and any additional conditions prescribed by the Minister, the retail bank shall request a commercial banking license as specified in this Notification from the Minister through the Bank of Thailand, in accordance with the following conditions:

10.1 It shall begin its operation within 1 year from the approval date, unless a waiver has been granted by the Bank of Thailand. The Bank of Thailand may specify any additional conditions.

10.2 It shall return the retail banking license to the Ministry of Finance on the day the commercial bank begins its operation, and the upgraded commercial bank shall be its only form of business.

10.3 On the day the upgraded commercial bank begins its operation, the commercial bank shall have tier 1 capital of not less than 10,000 million baht.

Article 11 This notification shall come into force on the day following the date of its publication in the Government Gazette onwards.

Announced on 22 December B.E. 2553

(Mr. Korn Chatikavanij)
Minister of Finance

Application Form for Upgrading to a Commercial Bank
